18 EXCITING DAYS - FIVE AMAZING PORTS-OF-CALL, *Plus* ANTARCTICA!

** Experience a truly unique cruise adventure from Buenos Aires to Cape Horn and through some of the most amazing areas of Antarctica!*

Buenos Aires: Enjoy the highlights of the “Paris” of South America! A pre-cruise overnight in a 5-Star hotel with **two** shore excursions included, as a bonus for Brian Judd Tours passengers. On arrival we’ll have a city tour of Buenos Aires, including the “Pink House”. After your cruise, we’ll also enjoy a full day “Gaucho Fiesta” tour at an Estancia, with a typical ‘Asado’ lunch. You’ll really enjoy these exclusive bonuses, and this fabulous South American City!

Ushuaia: No city on the planet has a more southerly latitude. As a result, the sun shines for 18 hours during each summer day, providing ample opportunity to view the mix of glaciers, forests, and sea, all framed by Mount Martial to the West & Mount Olivia to the East. Optional excursion available.

Cape Horn, Chile - Scenic Sailing: “Tierra del Fuego” The Land of Fire, is the most isolated place in the Americas and Cape Horn is its southernmost point. These cliffs and windswept shores are stark, rugged beauty personified, creating a dramatic setting for the collision between the Atlantic and Pacific Oceans.

Antarctica - Scenic Sailing: You are certain to leave with amazing memories and pictures as you cruise through Schollart Channel, Paradise Bay, and the Gerlache Strait. Take in mesmerizing sights with impressive ice flows, humpback whales, waddling penguins, leopard seals & more, in their natural and extreme elements.

Elephant Island, Antarctica - Scenic Sailing: This tiny island in the Weddell Sea plays a role in one of seafaring history’s most legendary exploits. When the brave crew of the Endurance, led by intrepid explorer Sir Ernest Shackleton, was trapped in the ice during a 1914 polar expedition, they took refuge on this island until help arrived.

Port Stanley, Falkland Islands: Commune with the roughly 3,400 intrepid souls who call this remote former whaling outpost home. Through the rocky, windswept landscape you may observe a few of the island’s flightless residents-including Magellan penguins burrowing underground and rockhoppers carefully observing you from outcroppings. Optional excursion available.

Puerto Madryn, Argentina: Extending out into the Atlantic from Puerto Madryn, founded by Welsh Immigrants, is the Peninsula Valdés, a wildlife sanctuary where vast numbers of sea elephants, whales and penguins far outnumber the few human visitors who make it out this far. Optional excursions available.

Montevideo, Uruguay: Although Montevideo is a thoroughly modern city with a rich artistic tradition, the reach of the rural estancias is all around you. If there was ever a time you were to indulge, steaks are the specialties of the house in virtually every restaurant. This is cattle country! Optional excursion available.

*** Iguazu Falls - An optional five-day pre-cruise extension to Iguazu Falls will also be available.**
