Wonders of Peru Tour Itinerary

Day One – May 10

SALT LAKE CITY * HOUSTON (IAH) * LIMA, PERU

Your adventure finally begins as you depart for incredible Peru! We will meet guests flying from other cities in Houston. Boarding begins this afternoon for our non-stop flight from Houston to Lima, Peru. (meals on plane). **Overnight in Lima**

Day Two – May 11

LIMA * CUSCO * CHINCHERO * SACRED VALLEY

Wake up feeling rested after a nice hotel stay vs. sleeping in the airport. This is a feature that others do not consider. Enjoy a full breakfast before taking our **preferred flight** from Lima to **Cusco** arriving early this afternoon. Enjoy a **Welcome lunch** with your traveling companions before travelling by deluxe motor coach to the **Sacred Valley**. Enjoy the scenery with photo stops along the way and a special visit to the village of **Chinchoero**. Later this afternoon we arrive at our **5-Star Luxury hotel** where we stay for the next **three nights**. Enjoy the grounds of this beautiful hotel with its full gym, spa, infinity pool, river-walk, yoga center, and fantastic restaurant, with an award-winning chef, and much more! Dinner is included tonight at our 5-star resort. **(L,D)**

Day Three – May 12

OLLANTAYTAMBO RUINS * MARAS SALT MINES * MORAY

Today we visit the Inca town of **Ollantaytambo** and the impressive **Inca ruins**. During the Inca Empire, Ollantaytambo was the royal estate of Emperor Pachacuti who built the town and a ceremonial center. At the time of the Spanish conquest of Peru, it served as a stronghold for Manco Inca Yupanqui, leader of the Inca resistance. After spending the morning exploring the Ollantaytambo Ruins, we'll then take time to walk the **original Inca streets** with our local Peruvian Guides. This is a fascinating experience! Enjoy a group **Lunch** at a local restaurant in the Sacred Valley.

After lunch we visit the incredible **Mara Salt Mines**. With its beautiful landscape the Mara Salt Mines are another wonder of nature. With hundreds of salt ponds set along the terraces, and as the water seeps into each pond, the sun evaporates the water leaving beautiful salt crystals. After a month the salt reaches 3-inches and is ready to be harvested. Enjoy the terraces, the light in the fields, the impressive mountains, the white sea of salt, and the natural beauty around making the Maras quite magical. Our next visit is the **Moray Terraces**. Thought to have been used as an agricultural testing site, the Moray Terraces are an impressive site to see. Feel the different temperatures as we descend the many levels of the Terraces learning about the Inca and their brilliant agricultural methods. The Moray Terraces provide a unique view into the agricultural knowledge of the Inca! **(B,L)**

Day Four – May 13

PISAC RUINS * SACRED VALLEY

Enjoy a full **buffet breakfast** this morning before our visit to the incredible Inca Terraces and neighborhoods of the **Pisac Ruins**. Most tours only go to Pisac to visit the local market, which is a huge mistake! Our **Expert Peruvian Guides** will take us to the **Pisac Ruins** high above the Sacred Valley to explore and learn instead of just stopping at a market. We can promise you that you will have plenty of time for shopping throughout the tour and the Pisac Ruins should NOT be missed. The Ruins of **Pisac** are separated along the mountain ridge into four separate groups: P'isaqa, Inti Watana, Q'allaqasa and Kinchiraqay. We'll spend the morning and afternoon exploring these fascinating ruins. The Pisac Ruins are considered by many to be second only to Machu Picchu. After an unforgettable day exploring and learning about the Inca Empire, we return to our 5-Star luxury hotel for a **group lunch** and free time to rest and relax. **Dinner** tonight is included with your traveling companions. **(B,L,D)**

Day Five – May 14

MACHU PICCHU * AGUAS CALIENTES

Today is one of the **highlights of the tour** as we visit the incomparable **Machu Picchu**. Board the deluxe **Vista Dome Train** taking us to the town of **Aguas Calientes**. After arriving at the charming town, we board a bus that will take us up to Machu Picchu. Most tours only visit Machu Picchu for a quick photo visit lasting no more than one hour. In our opinion this is a tragedy! Machu Picchu is a major highlight and one hour is not enough time to fully enjoy and learn about this majestic city high in the Andes. After taking tours to Peru for over 35 years, we know the best ways to fully take advantage of our time in each place. For this reason, we purchase the limited, **Full Circuit Machu Picchu ticket**. This allows us to visit the entire complex and spend the time you need to fully enjoy this incredible site. **We do it right** and consider the small details that others do not! Plus, we have **three local Machu Picchu Expert Educators** that will guide the group through all the important areas teaching you about the Inca and Machu Picchu! After a full day enjoying Machu Picchu, we will enjoy a hearty **group dinner and overnight in the fun town of Aguas Calientes!** **(B,Snack,D)**

Note: Most tours only purchase the half circuit ticket, or even worse the ticket that only allows you to take a photo before being rushed back to the bus and then to the train to return to Cusco or Ollantaytambo. **This is a mistake!** After getting off the train in Aguas Calientes, you must line up for the buses that transport passengers up the mountain to the entrance of Machu Picchu. By the time these groups take the bus up and enter Machu Picchu, it is almost time for them to line up to catch the bus back down! **Again, this is a mistake!** We overnight in Aguas Calientes instead which means that we do not have to rush through Machu Picchu to catch the bus and train to return to the Sacred Valley. We take our time with **our full circuit experience** exploring one of the new seven wonders of the world and return to our Aguas Calientes hotel when we are ready. **We truly take full advantage of our time!**

Day Six – May 15 **AGUAS CALIENTES * CUSCO**

After breakfast, we board the **Vista Dome Train** making our way past the famous **Inca Trail** into the Sacred Valley. We'll then board our **deluxe air conditioned motor coach** taking us into the city of **Cusco** with **lunch** enroute. We have a **surprise stop** for you on the way! This afternoon we check into our **5-star Luxury hotel**, the **JW Marriott** for the next two nights. This is one of the premier hotels in Peru. Rest break at the hotel before our **special group dinner** with a fantastic **cultural show** (B,L,D)

Day Seven – May 16 **CUSCO**

This morning after breakfast, our **Peruvian Expert Educators** will teach us about and take us to many important Inca sites such as: **Saccsayhuaman** - which sits atop a hill overlooking Cusco that includes some of the most impressive stonework and the largest stones. You will be amazed and the construction and ingenious methods that the Inca used to build this incredible multi-tiered structure, **Coricancha** - revered as the most important Temple in the Inca Empire, **Qenko** - one of the largest holy places in the Cusco region and **Puca pucara** - a site of military ruins made of large terraces, walls and staircases. **Lunch with the group** this afternoon. The evening is free to explore Cusco on your own from our centrally located JW Marriott hotel. (B,L)

Day Eight – May 17 **CUSCO * PUNO * LAKE TITICACA**

After breakfast this morning, we board our **deluxe motor coach** and are joined by the **Premier Local Expert** for the region, as we make our way to the city of Puno and **Lake Titicaca**. We'll first visit **Raqchi**, a pre-Inca site of the **Temple of Wiracocha**. This incredible structure and the ingenuity of the pre-Inca culture who once thrived at such high altitudes is a stop not to be missed. En-route we have a stop for **lunch** and some time for souvenir shopping. Later today we arrive at our **luxury 5-star hotel** which has amazing views of **Lake Titicaca**. Enjoy dinner on your own at one of the many restaurants at our hotel. (B,L)

Day Nine – May 18 **LAKE TITICACA * LOS UROS FLOATING ISLANDS * TAQUILE**

Today is another highlight of the tour. We board a **private speed boat with our Local Educator** on **Lake Titicaca**. At 12,500 feet above sea level, it is the world's highest commercially navigable lake. Our first visit is to the people of **Los Uros on their Floating Islands**. Built out of the reed from the lake these floating islands are an amazing site to see. We'll spend time with one of the families who will show us how they make the floating islands and teach us about their fascinating culture. Later, we travel by boat to the island of **Taquile** to visit another unique and different culture. Enjoy lunch with a local family and learn about their fascinating way of life. We'll also enjoy traditional dances and songs, before returning to our hotel by speedboat. Evening at leisure to enjoy the hotel grounds, spa, and beautiful atmosphere of your 5-star luxury hotel. (B,L)

Day Ten – May 19 **PUNO * AREQUIPA * SANTA CATALINA**

Breakfast this morning before departing Lake Titicaca to beautiful **Arequipa**. Our journey takes us from the highlands to the second largest city of Peru. Enjoy the breathtaking views as we travel through the canyons ascending to higher elevations before gradually coming down to nearly 7800 feet above sea level. Enjoy the fresh mountain air and photo stops along the way. Today we'll have a box lunch enroute before arriving at Arequipa. Upon arrival we check into our **5-star deluxe luxury hotel for the next two nights**. Evening at leisure to explore the main Plaza with its many shops, restaurants and more. (B,BL)

Day Eleven – May 20 **AREQUIPA CITY SIGHTS**

After **breakfast**, we'll visit the highlights of **Arequipa**. This colonial city is famous for its faithfulness to the Spanish Crown. Arequipa is surrounded by spectacular mountains, including the volcanoes **El Misti, Chachani, and Picchu Picchu**. A fascinating feature of the city is its many beautiful buildings made of a light-colored volcanic rock called sillar. We'll visit the incomparable **Santa Catalina Convent**. The Convent is listed as one of the thousand must see places to visit in the world along with Machu Picchu, Lake Titicaca, Cusco and Pisac! After an unforgettable visit, enjoy a guided tour of **the Church and Square of San Francisco, Dome of La Compania de Jesus, Colonial Homes, the Plaza de Armas and more!** Enjoy a group lunch this afternoon before returning to the hotel for time to relax and enjoy on your own. We also have an included option for a photo stop at the LDS Arequipa Temple for those interested. (B,L)

Day Twelve – May 21 **AREQUIPA * IQUITOS * THE AMAZON**

Our journey in Peru now takes us to the **Amazon Rain Forest**, another incredible highlight of the tour. We board our flight to Iquitos with a stop in Lima before landing in Iquitos, the largest city on the Amazon River. Enjoy **city sightseeing** before boarding our boat to travel 25 miles upriver on the incredible **Amazon River to our Deluxe Amazon Lodge**. **The Amazon Rainforest and River** are unlike anything else you have seen thus far, truly an incredible experience! Enjoy the beauty of the Amazon from the comfort of your luxury lodge. Tonight, relax in the hammock house, take a stroll around the lodge or swim in the pool! (B, BL,D)

Day Thirteen – May 22 **THE AMAZON**

Relax and enjoy the beautiful surroundings of our **deluxe lodge** and enjoy the many activities included in the program. This morning our local experts will take us on a beautiful **nature walk** in the rainforest! The afternoon is at leisure to swim in the pool, feed the monkeys and rest. Later today we'll travel on smaller boats to **fish for Piranha in the Amazon**. If you catch a Piranha, we'll cook it for dinner! **(B,L,D)**

★ TOUR HIGHLIGHTS ★

MACHU PICCHU

One of the main highlights of the tour is our **Full Circuit** visit to the incomparable **Machu Picchu**. Board the deluxe **Vista Dome Train** with glass ceilings taking us to the town of **Aguas Calientes** where our hotel for tonight is located. After arriving at the charming town, we board a bus that will take us to the entrance to Machu Picchu. Most tours only have time for a quick and rushed visit to Machu Picchu and this is a mistake! Traveling all the way to Peru to see Machu Picchu and only being allowed to visit the lower portion, only having 1 hour, or even worse only being allowed to take a photo before being rushed back to the bus and train is such a tragedy!

After taking tours to Peru for 35 years, we know the best ways to fully take advantage of our time in each place. For this reason, we purchase the **Full CIRCUIT Machu Picchi ticket** which allows us access to the entire complex of Machu Picchu. We take our time and spend several hours visiting, learning, and enjoying the incredible complex. Because we are staying in **Aguas Calientes tonight**, we depart from Machu Picchu when we are ready and done, not because we must rush to catch the train back to Cusco or Ollantaytambo. **We do it right!** Plus, we have **three local Machu Picchu Expert Educators** for our group which allows us to split our already small group into three smaller groups to give you the best experience possible! We think of the small details that make a big difference that others will not even consider. After a full day enjoying Machu Picchu, enjoy a fun **group dinner**.

LAKE TITICACA

Another incredible highlight of the tour is Lake Titicaca! Rather than offering an optional add-on, we include Lake Titicaca from the very start! We board a **private speed boat with our Local Educator** to take us out on **Lake Titicaca**. At 12,500 feet above sea level located on the borders of Peru and Bolivia it is the world's highest commercially navigable lake. Our first visit is to the people of **Los Uros on their Floating Islands**. Built out of the reed from the lake these floating islands are an amazing site to see. We'll spend time with one of the families who will show us how they make the floating islands and teach us about their fascinating culture. After an unforgettable morning with the people of Los Uros we'll board our boat and make our way to the **Island of Taquile**. Here we'll visit with the people to learn about their culture and to enjoy a **delicious lunch** as they teach us about their community and lifestyle. Enjoy breathtaking views of Lake Titicaca from Taquile before returning to our 5-star luxury hotel by **private speed boat** later in the afternoon.

AREQUIPA * THE AMAZON

Our exciting Peru adventure takes us to Arequipa. Our **Local Peruvian Expert** takes us to visit the Colonial City of **Arequipa**, surrounded by spectacular mountains and volcanoes. We visit many sights including: **The Church and Square of San Francisco, Dome of La Compania de Jesus, Colonial Homes, the Plaza de Armas**, and the unforgettable **Convent of Santa Catalina**. After two fascinating days in Arequipa, we'll board our flight to Lima and connect to a short flight to Iquitos, the largest city in the **Peruvian Rain Forest**.

Another incredible highlight of the tour and a part of Peru that should not be missed is the Amazon! For this reason, we do not offer an optional extension to visit the Amazon and have included it in our tour package right from the start. We know what should be included to give you the very best Peru experience! After landing in Iquitos, we have **city sightseeing** before boarding our boat which takes us on the **Amazon River** to our deluxe lodge, an experience you will not forget! Enjoy the beauty of the Amazon from the comfort of your luxury lodge. **Fish for Piranha, enjoy nature walks in the jungle, visit local Amazonian tribes, and keep your eyes open to spot the pink and grey dolphins while enjoying boat rides on the mighty Amazon River.** The Amazon is the cherry on top of your incredible, 'Wonders of Peru' tour!
