April 16	Castries, St. Lucia		
April 17	Bridgetown, Barbados		

★ 13 MEMORABLE DAYS - SIX EXOTIC PORTS-OF-CALL:

* *All at the very best time of year to cruise the Caribbean!*

FT. LAUDERDALE: Two-nights hotel at the **Renaissance Fort Lauderdale Marina** is included so you can have the preferred day time flight, two good night's sleep before boarding the ship, a thrilling Airboat tour of the Everglades Safari Park, and great assurance that you won't miss the ship in case of flight delays! No one else considers these types of extra comforts as much as Brian Judd Tours.

ST. MAARTEN: It's the calm turquoise waters of the sunny Caribbean that command attention in St. Maarten -- home to both pirates' legends and tropical fish, for centuries. And there's no shortage of shopping or ways to explore the island. Choose your vessel and discover these waters, from kayak and catamaran, to yacht or jet boat.

ST. LUCIA: This beautiful island welcomes visitors drawn to its exotic tropical landscape, crystal clear waters and colorful marine life. Lush green hills, black sand beaches, tranquil blue lagoons, and pink sunsets. Of course, there's equal grandeur St. Lucia's its magnificent coastline and famous twin mountains known as the Pitons. St. Lucia's first settler was the French pirate, Francois Le Clerc.

BARBADOS: Barbados is a spectacular Caribbean cruise getaway with plenty of British appeal and where cricket is still the national pastime. Once colonized solely by the British, "Bajans" describe their country as being "more English than England herself." In short, Barbados exudes a charm all of its own and flavors every aspect of island life, from music & dance, to religion, language & food.

DAYS AT SEA: A well thought out cruise itinerary, with "days at sea" included so you have time to relax and enjoy the many activities, amenities, and special features onboard a deluxe 5-Star ship. Our past passengers have told us this is very important, and a vacation must!

ST. JOHNS: The first settlement on the island we know as Antigua was not established until the 1600s, when English settlers arrived. Antigua remained a part of the British Commonwealth until its independence in 1981. Today, Antigua is a popular vacation destination, attracting tourists with its ideal climate, amazing landscape, leisurely lifestyle and 365 beautiful beaches – one for every day of the year!

ST. KITTS & NEVIS: Explore French and English colonial architecture, breathtaking beaches, and lush landscapes beneath soaring mountain peaks. Located 750 feet above the Caribbean sits the Brimstone Hill Fortress, a UNESCO Heritage site. You may wish to ride the St. Kitts Railway Train to view the island and take in the magnificent views of Mount Liamuiga, a 3,792-foot-high dormant volcano.
